**Shandong Sports University
Shandong Province
China**

To the Board of Shandong Sports University

On behalf of The Football Association in England, may we offer our warmest congratulations on the occasion of your 60th anniversary.

Mr Mark Palios has told us about his recent visit to your university, and informed us of the strong sporting reputation you have in China together with the efficient contribution you have made to several sports on the national level.

Reaching sixty years is an impressive landmark, and it provides an opportunity to reflect on the achievements of the past and the prospects for the years ahead.

We wish you continued success in shaping the sporting landscape of the future.

With best wishes from England,

Yours sincerely

JANE BATEMAN
Head of International Relations
The FA
